Eden Road Iris Garden

P. O. Box 117 ■ Wenatchee, Washington

1960 FOREWORD

Here is our new catalog for 1960. In the following pages, you will find a great array of newer iris—and we hope some of these are on your “must have” list.

To our many old customers, thanks for your orders. We hope to hear from you again soon. To prospective new customers, try us and see the quality of our large rhizomes. We will treat you right. We get many repeat orders the same season from satisfied customers.

The garden gates are open on week days from 10:00 A.M. to 5:00 P.M. During blooming season, we are also open Saturdays and Sundays same hours; evenings by appointment. You are cordially invited to visit the garden and see the modern iris, the rockeries, and the shrub and flower borders. The plantings make an attractive back drop for the iris.

Lots of newer iris, in too short supply to list in the catalog, are being grown here to increase stock so as to be able to list them another season. We grow lots of “Guest” iris—showing and testing them for other hybridizers. Annually thousands of new seedlings bloom for the first time. Re-selected seedlings are grown and tested to see if they merit introduction. Come and see them and let us know which ones you like.

If you plan on attending the 1960 national convention of the A.I.S. in Portland, Oregon, in mid-May, route your trip through Wenatchee and visit our Garden of Eden.

We'll be looking for you. If you can't come, be sure to send in that order and do it early. We'll treat you right, of that you can be sure.

GORDON W. PLOUGH

About the catalog

In the descriptions, E, M, and L, signify Early, Mid-season, and Late. In the breeding look first for the capital “X.” To the left of this is the pod parent. To the right is the pollen parent.

A word about the awards may help you who are not A.I.S. members to understand them. H. C. (High Commendation) is an award given to a seedling iris, either under number or name, not introduced at time of judging. This is a recommendation that this variety is worthy of introduction. Next honor in line that an iris may win is the H. M. (Honorable Mention). Any iris that has been officially registered and introduced before the current July 10 is eligible for this award. Next comes the A. M. (Award of Merit). This award is given only to those iris that have won an H. M. not less than two or more than five years prior to the current season. The top award is the Dykes Medal. For a tall bearded iris to win this, it must first have won an A. M. during the previous four years. Mention should be made here, too, of the President's Cup award. This is given to the outstanding iris variety seen at each yearly convention of the A.I.S.

So keep in mind in reading this catalog that there is just one Dykes Medal awarded each year. There are 12 A.M.'s awarded each year (or more if a tie vote appears for 12th place). There is no limit to the number of H. M.'s awarded each year. A variety must receive 12 A.I.S. judges' votes to get this award. There were 83 H. M.'s awarded to Tall Bearded Iris in the 1959 voting.

Cultural Directions for Bearded Iris

Rhizomes will be shipped to you in a firm condition and should be planted as soon as possible after they are received. If you are unable to plant on receiving them, then be sure and keep the rhizomes in a dry and cool place until you can plant them.

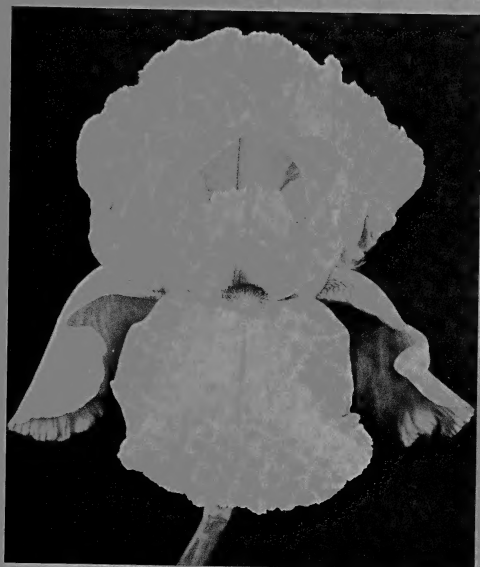

Your soil should be damp before planting and a good wetting after planting is usual, depending on weather conditions. After roots are well established, be careful and DON'T water too often. Bearded iris demand good drainage. If your soil is heavy and poorly drained, set the rhizomes a little higher than the surrounding soil. The rhizome should be planted so the soil just covers it and no more; be sure and spread the roots well and firm the soil around them. This will anchor the rhizome until the new roots form.

In early spring a side dressing of WELL ROTTED manure produces beautiful blooms. Care must be taken not to allow any fertilizer to come in direct contact with the rhizome. Separate your plants about every third year for best results.

A small handful of bone meal to each plant well worked through the soil before planting is advised.

In the colder sections, a winter mulch is good cheap insurance for newly set plants. Evergreen boughs, pine needles, excelsior or any coarse materials that will not mat down are suggested as good materials.

NEW introductions for 1960

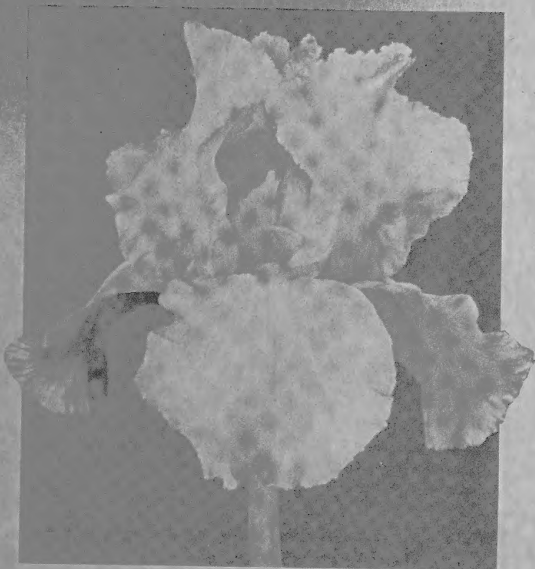

KISS OF FIRE

(Plough '60) M. 33 in. No. 56-32-41. (Pretty Gay X Frost and Flame). Semi-flaring flower of palest tint of Sea Lavender Violet, Wilson 637/4. Color lightens somewhat to near white as flower ages, Beard is Saturn red, Wilson 13. We're using this in our red-bearded blue program. Fertile both ways \$25.00

LA PALOMA

(Plough '60) EML. 30 in. No. 54-20-10. (Party Dress X Mary Randall). From the most intense flame orange buds imaginable, slowly this Cadmium Orange, Wilson 8/3, flower emerges. The standards and center of falls are flushed pink. The hafts deepen to Indian yellow, Wilson 6/2. Beard is heavy tangerine. Petal edges are laciniated. Petals are very wide and ruffled. Fertile both ways . . . 35.00 net*

1960 INTRODUCTIONS

Here are the new introductions from Eden Road. There are three from Jeannette W. Nelson, one from Henry E. Sass, one from George A. Shoop, and ten from Gordon W. Plough. These have all been fully tested and approved by garden visitors. Eight of these are pictured.

ATMOSPHERE (J. Nelson '60) EM. 44 in. No. 56-42-1. (Sky Dye X Sun Lakes). This tall, queenly iris has perfect candelabra branching on a fine, heavy stalk. It is a large, tailored self of Gentian Blue, Wilson 42/1, with tightly domed standards, and flaring falls, shading a little lighter at the haft. The beard is yellow. The growth is very vigorous and is fertile both ways\$20.00

AZURITE (H. Sass '60) M. 34 in. No. 53-6 (Sass No. 49-59 X Dancing Waters). Large white ground plicata lightly stitched on borders and with slight dottings of Methyl Violet, Wilson 39/2. The styles and crests are dark Moorish Blue, Wilson 739/3, giving a very unusual effect. There are three branches and terminal. Fertile both ways.\$20.00

BLUE GATE (Plough '60) EM. 32 in. (Sport of Eastmont). The standards are Hyacinth Blue, Wilson 40/3, splashed Aster Violet, Wilson 38/1. Falls and base of standards buff gray heavily veined and dotted dark brown. Lower part of falls are heavily washed and splashed with same violet as standards. Diffused, wide, mustard brown beard. Huge loaded pollen stamens. Fertile both ways\$20.00

FLARING IVORY (Plough '60) M. 36 in. No. 53-47-14. (Moonlight Serenade X Mary Randall). Warm white flower with all petal edges deepening and blending to Naples Yellow, Wilson 403/2. The whole effect is ivory. The beard is bright yellow. The entire flower is heavily ruffled. Beautifully branched. Fertile both ways. Pictured on back cover.\$30.00 net*

FLYAWAY (J. Nelson '60) ML. 30 in. No. 57-14-3. (First Violet X Gussie). This charming flower is extremely lacy and crinkled. The color is very lovely, the standards being Violet, Wilson 36/1, shading lighter at the base, and the falls Amethyst Violet, Wilson 35, shading blue toward the haft, with a yellow beard. The standards are firmly held, the falls flare horizontally, and the substance is excellent. The style arms are lavender and very lacy. Fertile both ways. . \$25.00

HENNA RUST (Plough '60) M. 31 in. No. 53-60-12. (Innes': Ruth x Rainbow Room) X (Mary Randall). Wide ruffly flower in bright henna. This is a new iris color. There is a slight purple blaze below the bright orange beard. Fertile both ways.\$20.00

KISS OF FIRE (Plough '60). See page 3.

LA PALOMA (Plough '60). See page 3.

LA PARISIENNE (Shoop '60) M. 34 in. No. B52-15. (Jeb Stuart x Floradora) X (Salmon Shell x Pink Formal). Here is the first pink-bearded white to be launched. The large flowers have some unusual red veining on the hafts. The pink beard has a white tip. Well branched and increases fast. Fertile both ways. This is producing some unusually good seedlings. We have been using it heavily\$20.00

LITTLE ANGEL (Plough '60) EM. 12 to 14 in. No. 55-19-12. (Snow Flurry X Green Spot). Here is our first introduction in the Lilliputs. This is a nicely flaring tiny white with yellow beard. The standards are closed and the hafts are unmarked. There are two branches and terminal. Fertile pod parent. Pictured on front cover.\$10.00

LOST RIVER (Plough '60). See page 5.

MOHR MAGIC (Plough '60) EM. 38 in. No. 54-16-2. (Magic Sails X Capitola). Huge semi-flaring, lightly ruffled flower with standards of Campanula Violet, Wilson 37/2, and falls, Wilson 37/1. The beard is brown tipped violet. Two branches and terminal. Pictured on page 31.\$20.00

RAINBOW GOLD (Plough '60). See page 5.

RUBY LIPS (Plough '60) M. 40 in. No. 56-32-72. (Pretty Gay X Frost and Flame). Tall, wide-angle-branched pure white with intense red tangerine beard that really glows. Beard is Saturn Red, Wilson 13/1. Petals are wide and the flowers are gracefully formed. Fertile pod parent. Pictured on page 37.\$20.00

SUNDAY'S CHILD (J. Nelson '60) ML. 30 in. No. 54-32-1. (Plough W-1x Premier Peach) X (Chinook Pass). The heavy lacing as well as ruffling make this violet blue very delightful. It is a complete self of Methyl Violet, Wilson 39/2, with extremely wide domed standards; flaring, rippling falls and very wide, lacy style arms. Adding to its charm is a brushing of silver along the lacy edge. It has pollen and sets seed.\$25.00

*Note—All varieties marked net do not figure in any price premium as shown in this catalog. They are net retail and wholesale.

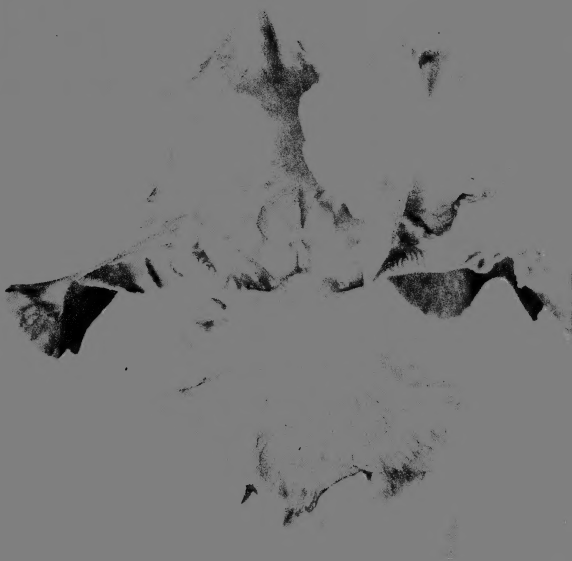

RAINBOW GOLD

(Plough '60) EML. 34 in. No. 55-5-25.
(Butterscotch Kiss) X ((Innes': Ruth x
Rainbow Room) x Mary Randall). Very
large intense Buttercup Yellow, Wilson
5/1, self. Beard is Tangerine Orange,
Wilson 9/1. All petal edges are heavily
laced and crimped. Fertile both ways.
H. C. '59. \$35.00 net*

LOST RIVER

(Plough '60) M. 35 in. No. 56-15-36.
(First Violet) X (Chivalry x Blue
Rhythm). Wide ruffly flower of semi-
flaring form with closed standards of
Hyacinth Blue, Wilson 40/1, falls
Wilson 40. Beard is yellow tipped blue-
white. Three branches and terminal.
Fertile both ways. \$20.00

PLEASE READ CAREFULLY

Get your order in early. We ship only during July and August. On all orders postmarked before June 10, 1960, you may select 10% of your iris order (value) as an added premium. This is not a cash discount and should not be used as such. This applies also to items marked "net."

1960 OFFER

Minimum order \$10.00

On orders from \$10.00 to \$12.50.....you may select 25% more value in free iris

On orders from \$12.75 to \$15.00.....you may select 40% more value in free iris

On orders from \$15.25 up.....you may select 50% more value in free iris

This does not apply to items marked "net." Others may give higher premiums, but none have as many NEWER IRIS from which to choose as does Eden Road.

Here are examples as to how this works. Your order may look like this:

1 Riviera	\$10.00	1 Edenite	\$30.00
1 Witch Doctor	2.50	1 La Parisienne	20.00
1 Quest	\$2.00	1 Little Angel	10.00
1 Zebra	1.00	1 Party Favor	\$15.00
		1 Soaring Kite	15.00

Check enclosed\$12.50

Check enclosed\$60.00

If you wish to leave the selection of your free iris up to us, we'll give you better value. Net items do not figure in the above offer.

Please do not figure out the mathematical percentages and show discount, but enter order as shown in examples above. In this way you select your own free extras. We do not allow you to pay for part of the value of one iris and take the balance of cost of this same iris as your free extra. (This would be the same as a cash discount.) Remember, we have no cash discount.

Order early as some varieties are in short supply. On later orders, please give us second choices on free premium iris. This will save time and correspondence. Keep in mind that we ship only during July and August.

Remember that we pay postage or express on all orders in U.S.A. Foreign shipments are F.O.B. Wenatchee.

Please do not write letter on order blank, but use separate sheet. All orders will be promptly acknowledged. If you list your order alphabetically, it will save us time and money. You will gain by it, too; try it and see.

We do not issue a Wholesale list. Dealers, send us alphabetical list of stock in which you are interested and we will quote you. Please use your garden letterhead or give other evidence of your commercial status. Minimum order \$10.00.

TERMS: Cash with order. Please remit with money order or check made out to Eden Road Iris Garden. No C. O. D. orders or stamps accepted. Minimum order \$10.00.

POSTAGE OR EXPRESS will be paid on all orders in the U. S. A.

FOREIGN SHIPMENTS are F.O.B. Wenatchee.

WASHINGTON STATE RESIDENTS only— please add 4% Sales Tax.

SHIPPING will be by rotation as orders are received and will begin in early July and continue through August.

GUARANTEE: All rhizomes are guaranteed to be true to name, labeled, top quality and size, free from insect pests and disease. If for any reason you are not completely satisfied please notify us promptly. On failures to grow, notify us by November 1.

Most of the recent Eden Road introductions may also be seen in the Hoffman Iris Gardens, 113 D. St., Davis, California. Mr. and Mrs. L. L. "Lyn" Hoffman are our agents for the Sacramento area. They invite you to see these new creations and will be happy to take your orders.

- COLONIAL BOUQUET** (Jonas '56) M. 36 in. (Chantilly) X (D. Hall Sdlg. x Mary Randall). Blend of mallow pink and salmon. Beard is salmon. Excellent form with ruffling and heavy substance. Thrifty grower. . . . \$7.50
- COLORAMA** (Crandall '57) M. 38 in. (Pink Formal X Capitola). Beautiful new hybrid. Standards are lavender. Falls are lavender blended chartreuse. Style arms are bright purple. Very full and wide flaring flower. Hardy and most attractive. . . . \$3.50
- COLORGLO** (Schreiner '53) M. 40 in. (Idanha X Rainbow Room). Colorful blend of buff-beige standards and falls of fawn and heliotrope with a lavender blaze. Flowers are large, substance and form are good. . . \$2.00
- CONCORD RIVER** (Buttrick '56) M. 38 in. ((Helen McGregor x St. Regis) x Cloud Castle) X (Seafarer x Great Lakes). Very light blue with a white beard. The standards are domed and firm and the broad flaring falls are wide at the hafts. This is ruffled, of firm texture, and there are lots of blooms on the strong, well branched stalks. H. M. '56. . . . \$10.00
- CONQUEROR** (Wells '56) M. 36 in. (Involving China Maid, Tiffany, Rich Raiment, Molten, Savage, and Rosired). Fine, rich deep red of a pleasing shade. Form is good. Growth is vigorous and bloom is abundant. . . . \$7.50
- COOL COMFORT** (Tompkins '58). ML. 36 in. (Ruffled Gem X Song of Songs). Large and broad petaled citron yellow self. Beard is same color. There is a small greenish-white blaze below the beard. This could well be used in the green program. . . . \$10.00
- COPPER HALO** (Gibson '58). L. 36 in. (Travertine Rose X Sdlg.). Beautiful new plicata of orange copper on cream. The standards have an over-all sanded effect while the falls are bordered. The flowers have graceful ruffling, broad petals, and thick texture. H. M. '58. . . . \$12.00
- COPPERHEAD** (Reinhardt '55) M. 34 in. (Mexican Magic X Susitna Sunset). A colorful blend of copper brown and greenish yellow. The heavily substanted flowers have domed standards and flaring falls. Proving a good breeder. . . . \$3.50
- CORAL REEF** (Samuelson '56) M. 40 in. (Sdlg.) X (Sdlg. x Pink Formal). Here is a rich coral pink self with tangerine beard. This beauty has good substance and increases well. . . . \$10.00
- CORALYNN** (E. Smith '59) M. 36 in. (Dolly Varden X Happy Birthday). Large and lovely soft pink with beard of orange yellow. Domed standards, flaring falls, with petal edges lightly laced. Good foliage and fine branching. . . . \$10.00
- CORONATION RED** (H. Hall '53) M. 39 in. (Color Sargeant X Garden Glory). Glowing, non-fading oxblood red with the standards slightly lighter in tone. The flaring falls have a velvety finish and are clean-hafted. Rich orange beard. Wide branched and vigorous. Very brilliant. H. C. '52. . . . \$2.50
- COTLET** (Noyd '58) ML. 26 in. ((Reveille x New Horizon) x Apricot Glory) X (Temple Bells). Light apricot self with deep apricot beard. The charm of this flower lies in its perfectly horizontal falls. Sensationally beautiful and fragrant as well. Named after our famous, locally-made, candy. . . . \$10.00
- COUNTRY CUZZIN** (O. Brown '58) EM. 35 in. ((Hit Parade x Pink Formal) x Mary Randall) X (Palomino). Standards are golden apricot and the wide white falls are bordered in the same color. The beard is heavy tangerine orange. A grand new development. . . \$8.00
- COUNTRY EDITOR** (DeForest '55) M. 40 in. (Sdlg. X Rodeo). Sib. to By-line. Plicata with yellow ground. Wide standards. Falls are wide, well rounded, and lightly marked with brown. Colorful. . . . \$3.00
- CRAZY QUILT** (Vallette '58) M. 36 in. (Ruth Pollock X Peachblow). Here is a new novelty iris. This is a yellow ground plicata on the order of Ruth Pollock. It is streaked, striped, and blotched with white. . . . \$2.50
- CREAM COCKATOO** (Keith) M. 34 in. (may be sport of: California Gold X Happy Days or may be California Gold X Zebra). Foliage is variable, running from all green to all white with some fans variegated and others nicely striped. The flower is quite large and of a clear light yellow. It is semi-flaring in form. Cream Cockatoo may produce something unusual. A pink iris with foliage of Zebra would be a sensation. Earliest orders will receive the most uniformly striped fans. . . . \$2.00

- CREAM CREST** (Muhlestein '59) ML. 36 in. (Sib. to Utah Cream x Yellow Tower) X (Sib. to Utah Cream x Spring Sunshine). Very wide cream with clean ruffled hafts of lemon yellow. Very beautiful and appealing. H. M. '59.....\$22.50
